

INVITATION TO 2020 SMART CITY ONLINE

Honorable Mayor,

It is with pleasure that we invite you to attend 2020 Smart City Online, the reinforced online version of the Smart City Summit & Expo (SCSE). The event will go live in the summer of 2020.

Due to the outbreak of COVID-19 pandemic, Taipei Computer Association (TCA), as the event organizer, has since made every endeavor to create a virtual and safe environment, giving priority to the health and safety of all domestic and international attendees. To that end, we are delighted to present Smart City Online, an O2O platform that builds connections with the world, welcoming global leaders, telecom operators, system integrators, and solution providers to the largest smart city event in Asia.

Smart City Online is created to sustain and maximize the benefits for all visitors, exhibitors and buyers, and is designed to be a multi-functional platform that facilitates businesses, experience sharing and partnerships by inspiring all participants with a variety of smart solutions and engaging them in professional conferences, matchmaking sessions, and global networks.

While transforming the event into a digitalized gathering, TCA and Taipei City Government will co-host the Smart City Mayors' Summit as a web conference involving mayoral level officials to explore municipal initiatives and urban policies together from across the world. On top of that, you are cordially invited to join the conference sessions as well as take a virtual tour of the Real-site Demonstration; we are also committed to deliver more activities online in order to make the experience as beneficial and comprehensive as possible to you. For any queries, please contact Event Coordinator Ms. Nicholle Chen at nicholle@mail.tca.org.tw.

It is with great delight that we invite you to join us at 2020 Smart City Online, and we also look forward to receiving your confirmed attendance to next year's SCSE as well, which will take place from March 23rd to 26th of 2021.

Sincerely Yours,

Paul SL Peng

Chairman of Taipei Computer Association
